

Colgate Games – Important Information

Manager

Nikora Jonathan 021 322 383

Team Packs

Must be collected from the team manager/s on THURSDAY night from where the manager/s are staying. These team packs will include the athlete's registration numbers (2), adult gate passes (wrist bands) and programmes. Without your gate passes (wrist bands) you will not be permitted entry into the ground.

As there is a manager's meeting at 7.45am on the Friday morning it is imperative these packs are collected on the Thursday as they will be unable to be given out on the Friday morning.

March Past

Teams are to assemble for March Past at 8.15am down the back straight on the track. Please ensure you are at the ground no later than 8.00am. March Past commences at 8.30am. Please ensure athletes are in their hoodies, singlets & shorts or training tops.

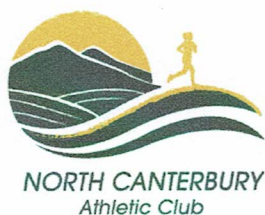

Uniform

Canterbury registration numbers are NOT required to be worn. Athletes will be issued with 2 numbers, 1 number (with events noted) is to be attached to the front of the singlet, the 2nd number is to be attached to the back of the singlet. Back numbers are NOT required to be worn when athletes are competing at High Jump.

Please ensure athletes are in correct uniform, Club singlet and PLAIN BLACK shorts. A small manufacturers 'brand' logo is permitted on the shorts, no other franchise logos are permitted. Please note that if the correct uniform is not worn athletes run the risk of being turned away at marshalling. This HAS happened before.

Marshalling

There is 1 marshalling tent for track events and 1 marshalling tent for field events, marshalling is generally 20 minutes prior to the commencement of the event. Athletes will be called to the marshalling tent therefore please be aware of the PA system calling athletes to marshalling. Once inside the marshalling tent you CANNOT exit. Please note that only athletes are permitted in the marshalling tents, NO parents allowed.

You will be advised where these tents are located on the Friday morning after the manager's meeting.

High Jump is generally the only field event that marshall direct to the event location, this will be confirmed after the manager's meeting.

Programmes

It is recommended you take a highlighter pen to highlight your child/children's events. In field events there can be more than one division/flight within an age group so please ensure you are aware what division/flight your child is entered in.

Timetable

The timetable can run behind and ahead so please ensure you are aware of time and what events are running. The timetable is able to run 30 minutes ahead of schedule.

Results

Results are posted on the display board for all events.

Track

For grades 10-14 heats, semis and finals are run although occasionally in some events heats can go straight to finals.

Please ensure you keep an eye on the results board, it is YOUR responsibility to check whether your child progresses through to semis and/or finals.

Generally there is always a 'reserve' named. If your child is listed as a reserve they **MUST** also attend marshalling when called for. They will be advised if they are required or not in the marshalling tent.

Qualifiers for Further Rounds

An athlete who qualifies for a semi or final who fails to compete in that semi or final will be ineligible for further competition on that day.

Scratchings

If there are any athletes scratching for a Friday event, the manager/s must be advised no later than 2pm on the THURSDAY.

At any other time over the competition if an athlete wishes to scratch from an event the manager/s must be advised in plenty of time.

Communication

Please ensure all families and athletes stay together at our Club tent. There can be constant updates/changes throughout the day that have to be communicated to athletes. We will not be walking around the ground looking for people to communicate information to.
