

18<sup>th</sup> March 2021

It gives me great pleasure in presenting the chairman's report for the 2020/21 report.

The past season has been a challenging season with Covid lock downs for the club. Not only did our athletes miss out on opportunities to compete at a higher level we were also unfortunate to miss out on running our inaugural Andrew Reese relay in Rangiora.

Winter running numbers for the juniors has again been strong with coach Jo Ramsey at the helm with her weekly training sessions. The number of events for the winter season were slashed because of Covid but some pleasing results were achieved. Adult number within the club have been on the decrease for some time which is a concern as some events are relays and numbers are not strong enough to form a team.

The children's summer athletic section has been consistent with numbers (26 registered). This season has had many younger athletes of under 10 competing on a Saturday. Colgate's and the Canterbury Champs were a big learning curve for them with competing on multiple days. A big thanks to Mike for being junior manager for the season and for those parents that did their roster duty and helped at the fund raising at the track on a Saturday. It is great to see the number of children progressing through to the afternoon section with great results.

A big thank you to Jo our amazing coach. All her commitment to the mid-week trainings and Saturday coaching has brought out the best in the kids. Also, a huge thanks to Nikora for coaching the throwing disciplines and other parents stepping up and helping out at trainings.

Thank you to our dedicated committee members for the year who keep the club operating in a strong financial position. Treasurer Natasha Mitchell, finger on the pulse Secretary Denise Pawsey, who keeps the parents well informed. Vice chairman John Marshall and other committee members Adrianne Smith, Paul Brouwers, Ian Purvis, Jo Ramsey, Mike Jane

Thank you for your support and may the 2021/2022 season be as prospective as the past seasons.
