

Presidents Report 2017/2018

It is with pleasure that I present my second and last report to the AGM. I hope I don't put you all to sleep. Thank you to all of you who have made the effort to attend tonight.

The adult section of the club was once again down on numbers. The standout performer for the club was Navajo, she was the top of her age group all season. The highlight being picked to represent New Zealand Secondary Schools at the Australasian Secondary School Cross Country Champs. Navajo also won 2 national titles at the recent NZ Track and Field Champs. I would also like to mention our small team of Masters Runners, you all ran with credit and did the singlet proud.

Once again there was an increase in the Children's Summer Registrations. There were some outstanding results in the Coalgate and Canterbury Champs. Between the two events there were 74 Personal bests and 13 odd titles, an excellent effort. The club also collected the Hooper Shield for the best small club. There were also eight athletes that were selected to represent Canterbury in the next couple of weeks. A lot of our success is the result of the hard work that Jo our club coach has put into these children. I know we are the envy of many clubs having Jo as our club coach. Well done Jo.

I would like to say a big thank you to the committee for all your support, once again it has been a team effort.

I would like to single out Denise for all the hard work she puts in not only as a Secretary but also managing the Children's section. Denise will be a big loss to the club if she decides to stand down at the end of the 2018/2019 season.

I see the next 12 months being a critical time for the club with the senior side of the club just about running on empty. It is encouraging to see the Children's section so strong in talent and numbers. Not only are the children our future but also the parents. For the club to survive we need the parents to take up roles on the committee, just something to ponder over the winters months or even in the next 5 minute before we select our committee for the coming season, "no pressure".

I would like to conclude my report by saying the last 2 years have been enjoyable. I have been just the bugger sitting at the end of the table running the meetings. As I said before it has been very much a team effort. Thank you to you all and I wish you all the best for the coming season.

Chris Rae

President
