Dear Chris

FINANCIAL AUDIT – NORTH CANTERBURY ATHLETIC CLUB INCORPORATED

I was once again approached by you to undertake the financial audit of the North Canterbury Athletic Club Incorporated ('NCA Club') for the financial year ended the 31st March 2017.

I have audited the financial statements on pages 1 to 4. The financial statements provide information about the past financial performance of the NCA Club and its financial position as at 31st March 2017. This information is stated in accordance with the accounting policies set out on page 1.

The elected representatives are responsible for the preparation of the financial statements which fairly reflects the financial position of the NCA Club as at 31st March 2017 and the results of operations for the year ended on that date.

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial statements. It also includes assessing:

- the significant estimates and judgements made by the Association in the preparation of the financial statements, and
- whether the accounting policies are appropriate to the Association's circumstances, consistently applied and adequately disclosed.

I conducted the audit in accordance with New Zealand Auditing Standards except that my work was limited as explained below. I planned and performed the audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to obtain reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or error. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the financial statements.

Control over fundraising receipts, prior to being recorded is limited, and there are no practical audit procedures to determine the effect of this limited control. In this respect alone I have not obtained all the information and explanations that I require.

In my opinion, except for adjustments that might have been found to be necessary had I been able to obtain sufficient evidence concerning fundraising receipts, the financial report on page 2 fairly reflects the results of operations for the year ended on that date.

In my opinion the financial report on page 3 fairly reflects the financial position of the NCA Club as at 31st March 2017.

My audit was completed on the 20th April 2017 and my qualified opinion is expressed at that date.

I require yourself and the Clubs Treasurer to initial all four pages of the financial statements and the statement of financial position to be signed and dated by yourself and the treasurer.

The NCA Club which is now an incorporated society is required under the Incorporated Societies Act 1908 to provide a copy of the signed adopted financial statements and this letter to the Registrar of Incorporated Societies within one month of the Clubs AGM date. These documents are due by the 27th April 2017 and can be filed on line or manually posted with a required department cover sheet.

I make the following observations to the NCA Club:

Improved Financial Position – The NCA Club should be congratulated on the improved financial position of the organisation since March 2016, with a positive result from operations and a sound financial position.

Community Charitable Trust Grant Funding - If the NCA Club is to continue to obtain grant funding from Community Charitable Trusts, it needs to ensure that it meets the audit and reporting requirements associated with receiving these grant funds. I recommend that you maintain a separate grant file for each application with copies of the application, receipt and associated supplier invoices. Grant funding is usually obtained based on an application by the NCA Club for a specific purpose, thus the expenditure of that grant funding needs to be controlled and directed for the purpose intended. The annual financial statements of NCA Club need to record the receipt and expenditure of that grant funding. I refer you to note 2 of the financial statements.

Association's Constitution (Section 18.2 Club Funds) – The NCA Club's new constitution was based on the template from Athletics New Zealand, however, section 18.2 requires NCA Club to have a policy on operating the Club's bank accounts. I recommend that the Club establish a policy that states the controls over bank signatories and the controls relating to internet banking currently used by NCA Club.

I would like to take this opportunity to congratulate the NCA Club for the work that they undertake to benefit athletics in the region and thank the Treasurer (Natasha Mitchell) for providing all the required information to undertake the audit.

Yours faithfully

Wayne Lapslie
