

Childrens Section North Canterbury Athletics – AGM report

This year has been a very successful year for the kids section. We have had an increase in numbers with 15 now in the Elite training group, and a further 7 younger athletes who were competing throughout the season.

We had success at Rawhiti with the first Quadrathon seeing Ben take Gold medal in 13yr old boys, Lillie Bronze medal in 13yr old girls, and Mya Gold in 11 year old girls. The second Quadrathon had Ben winning Gold again, and Mya Gold again. A lot of the other athletes were in the top 10 placings.

The Colgate Games were held down in Timaru in January, there were 10 athletes who competed. Between them they won 14 medals, 6 Gold's, 6 Silver, 2 Bronze. More impressive were the 22 new Personal Bests achieved.

Next were the Canterbury Champs back down in Timaru, this time a total of 18 athletes were competing. It was a very successful weekend, with 9 first places, 6 2nd places, and 10 3rd places. Between them they achieved 51 new Personal Bests. We were also presented with the Hooper Trophy for the most successful small club.

8 of the athletes from the Elite Group have been selected to be a part of the Canterbury Team, competing either in the tri-series for 11 and under age group, or at the Inter Provincial meeting for 12 and 13 year olds. Well done to Kaiden, Aaron, Mya, Xanthe, Dylan, Jessica, Lillie and Ben.

We finished the season with our break up and club presentations. This year's top award for most successful athlete went to Aaron Reavill, winning four gold medals at the Colgate Games, and then a further 2 top placings at the Canterbury Championships was a real achievement. The times he recorded were exceptionally impressive. The most improved athlete went to Mya Phillips, a very strong season, with over 25 new P.B's recorded throughout the season, and some very impressive big leaps forward. Our new award for best rising star in the younger age group went to Macey Barnes. She had a solid season, with very consistent results, and top 10 placings at Canterbury Championships. Thank-you to Paul Reavill, and Lemongrass restaurant, for donating this award to us.

Thank-you to the parents and especially Denise for their support, and helping with setting up and putting equipment away at training sessions.
